

Logan County Water Pollution Control District

JOB POSTING

FIELD SERVICES OPERATOR

The Logan County Water Pollution Control District is accepting applications for a **Field Services Operator** position.

The Field Services Operator position will perform various tasks including utility locates, inspections on new and rehabilitated sanitary sewer infrastructure and verification of information used to generate billing information as well as other tasks related to gathering and verifying information & data. This position will work closely with District management, field crews and administrative staff to provide information in a timely and effective manner.

Minimum requirements include a high school diploma or GED, valid Ohio drivers license and clean driving record and experience with excavation, plumbing, operation of a sanitary sewer system or similar. Must meet minimum physical requirements based on a combination of office and field work. Must pass a criminal background check and drug screen and complete a Fitness for Duty form if offered the position. Must possess a Class II Collections Operator license issued by Ohio EPA, or obtain within 48 months of hire. See Position Description for complete requirements.

Annual salary for this position is \$45,000 to \$51,500 (\$21.63 - \$24.76 per hour) depending on qualifications. The County provides an excellent benefits package that include vacation, sick leave, health insurance and prescription drug plan with options for supplemental (vision/dental) insurance and a pension program through Ohio Public Employees Retirement System.

Applications will be accepted until February 1, 2019 or until filled. Logan County is an Equal Opportunity Employer. Any questions regarding the position can be made to the Logan County WPC District office at 937-843-3328. Applications are available on the District's website: www.logancowpc.com and in the District office. Mail or email completed applications and resumes to:
